## **High-Flying Adventure to the Wild West**

When fourth-grade artist Channing O'Banning unearths something very weird on the school playground, she's sure it's going to be the biggest thing ever to happen at Greenville Elementary. But things take a rocky turn, and Channing never wants to show her face at school again.

Thankfully, Channing finds lots of rocks to hide under when her family visits the American West. With her signature colored pencil stuck in her ponytail and Teeny, the coolest pig on the planet, by her side,

Channing discovers that art comes in many different forms—and that God is the greatest artist of all.
