Count It All Joy Ashea S. Goldson

After a long, complex engagement, Alex and Joshua Benning feel like "happily ever after" is finally theirs. But the marriage may sour as soon-to-be minister Joshua starts pressuring Alex to start a family. Years ago, Alex suffered a botched abortion, and she still struggles from it. Joshua has his own issues. A widower who already has a five-year-old daughter, Joshua wants "the perfect family"—to the point of it being an obsession. There's also a scandal brewing over a relationship with a possible surrogate and recent international adoption attempt in the mix. Soon all the drama makes the marriage seem unmanageable and things start falling apart. Can faith lead them back to the love they share and bring them back to joy?
