Gulliver's Travels and Other Writings (Bantam Classics)

Jonathan Swift

Gulliver's Travels and Other Writings (Bantam Classics) Jonathan Swift

Considered one of English literature's first and greatest satirists, Jonathan Swift possessed a timeless genius for pointing out the foibles of human nature that still has the power to provoke, amuse, and, at times, even outrage

our modern sensibilities. This representative collection of Swift's major writings includes the complete *Gulliver's Travels* as well as *A Tale of a Tub*, "The Battle of the Books," "A Modest Proposal," "An Argument Against Abolishing Christianity," "The Bickerstaff Papers," and many more of his brilliantly satirical works. Here too are selections from Swift's poetry and portions of his *Journal to Stella*. Swift's savage ridicule, corrosive wit, and sparkling humor are fully displayed in this comprehensive collection.

From the Paperback edition.
