Juicio Final. Sangre en el cielo (Spanish Edition) César García Muñoz

N.º 3 en el ranking de Amazon.es de los ebooks más vendidos. **SINOPSIS:** Una tormenta de extraños rayos asoló la tierra, arrasándolo todo a su paso de forma simultánea. Después, el cielo se volvió del color de la sangre y desaparecieron las estrellas. Así comenzó, de repente, desde las alturas, condenando a toda la humanidad a una reclusión inexplicable. Así surgió la bóveda, una gigantesca barrera roja que rodeó el planeta por entero. Y eso sólo fue el inicio. Pero ¿qué o quién está detrás de la aparición de este increíble fenómeno? Muchos peligros se desataron tras la aparición de la bóveda, dejando a la humanidad al borde del colapso. La única esperanza es romperla de algún modo antes de que el tiempo se acabe... **INICIO DE LA NOVELA:** Diez minutos después del suceso. Mike y Steven se resguardaron a toda prisa en un viejo pajar, sin poder creer que siguiesen vivos. Mike estaba cubierto de sangre de cintura para arriba y tenía una herida muy fea en la pierna. La camisa de Steven estaba rasgada y chamuscada, mostrando varias quemaduras en su espalda. Los dos hombres contemplaron lo que ocurría en el exterior con incredulidad, ajenos al dolor de sus heridas. Lo que estaba pasando a su alrededor era simplemente imposible, pero sus ojos no les engañaban. El fenómeno había comenzado hacía solo unos minutos, surgiendo de la nada y haciendo que el mundo se derrumbase de golpe a su alrededor. Mike se sentó abatido sobre una rueda desgastada mientras contemplaba, atónito, los destellos del exterior. No era capaz de encontrar una explicación lógica a todo aquello, ni sabía qué iba a suceder a continuación. Pero una cosa era segura: nada volvería a ser como antes.
