Caminemos Con Jesus: Toward a Hispanic/Latino Theology of Accompaniment Roberto S. Goizueta
By FrKurt Messick HALL OF FAME VINE VOICE on June 1, 2003 In his book 'Caminemos con Jesus: Toward a Hispanic/Latino Theology of Accompaniment', Roberto S. Goizueta challenges prevailing notions of theology even in the more liberal wing of the academy. Much of modern Western theology is devised by people of different creeds and colours, but primarily using Western ideology and culture as a point from which to start. In basing his theology on Hispanic/Latino culture, a growing but still far-from-dominant culture in political, social and academic terms, Goizueta invites the reader to look at theology from an underside of powerlessness, oppression and neglect. This can have long range impact on the future of the church and society in the West, and in particular North America, as the Hispanic/Latino community continues to grow in numbers, in strength and in an insistence on being heard.
