China's Banking and Financial Markets: The Internal Research Report of the Chinese Government Li Yang, Robert Lawrence Kuhn

"This is a very timely book. With the recapitalization and reform of China's banking sector now well under way, the banks are on the brink of a new era of growth and expansion. This work is the definitive reference on the banking sector in China, and is an essential tool for anyone seeking to understand the dynamics of financial intermediation on the Mainland. It sets out the facts, free of the judgment calls that so often cloud the true picture of the health of China's banking system."

--Dr. David K.P. Li, Chairman and Chief Executive, The Bank of East Asia, Limited

"As China continues its impressive pace of economic growth, the rest of the world is constantly reassessing the opportunities and challenges it presents. This book is the first official report on the status of China's financial services industry and financial markets. For the first time, the international community gets access to the same information that the Chinese government uses in making key policies. Such unique insights make this book an essential read for business leaders, investors, policy makers, scholars, and anyone who is interested in understanding China's profound impact on businesses and consumers globally."

--Maurice R. Greenberg, Chairman & CEO, C.V. Starr & Co.

"This is the first book that introduces all aspects of the Chinese banking and financial markets to international audiences. From its developmental history to its contemporary challenges, China's banking and finance markets are presented, explored and analyzed with great detail and in great depth. Both the richness of the data and the scholarly strength of the methodology are a milestone. China's increasing participation in global financial markets makes this book a must read for all financial professionals worldwide."

--Lefei Liu, Chief Investment Officer, ChinaLife Insurance
