## **The Book Of Were-Wolves** S.baring-gould

Rev. Sabine Baring-Gould (28 January 1834 – 2 January 1924) of Lew Trenchard in Devon, England, was an Anglican priest, hagiographer, antiquarian, novelist and eclectic scholar. His bibliography consists of more than 1240 publications, though this list continues to grow. With the shocking histories of 10 famous cases, this classic blends science, superstition, and fiction to tell the full story of the werewolves among us. The first serious academic study of lycanthropy and "blood-lust" written in English, this book draws upon a vast body of observation, myth, and lore.
