When infamous party boy and b-list celebrity Ian Grant learns his sister is marrying a cop, he abandons Hollywood and drives to Indiana. His plan: to make up for all those times he embarrassed his family by taking charge of the wedding planning. So, Ian's never planned a wedding ... how hard could it be?

The tornado ravaged town of Hurricane is like another world—a world he'd like to be part of, if only people would stop judging him by his previous antics. He might even have a chance at romance with his future brother-in-law's coworker, detective Fran Vargas. But for Fran everything's gone wrong since the moment Ian arrived, including their confrontation with a bullying politician, and an influx of nosy reporters and angry ex-girlfriends. Not to mention Ian's wedding planning keeps getting interrupted by someone trying to kill him.

No one ever said redemption is easy.
