Travesía del horizonte (Spanish Edition) Javier Marías

Al igual que en las grandes novelas de aventuras de finales del XIX, y a las que Travesía del horizonte rinde cariñoso y también burlón homenaje, esta novela tiene como hilo conductor una atrevida expedición: el capitán Kerrigan, millonario y excéntrico, ha organizado un viaje a la Antártida para hombres de letras y científicos. Pero esa travesía no es más que una excusa, uno de los muchos hilos con los que está tejida la trama. Construida según el modelo de el relato dentro del relato, Travesía del horizonte añade a la aventura marítima de Kerrigan otras historias de personajes no menos novelescos, en deliberada parodia de ciertos maestros del género que van desde Joseph Conrad hasta Henry James pasando por Conan Doyle y entre pintorescos secuestros y manuscritos misteriosos, señoritas eduardianas y paisajes de navegación, se va desplegando un torbellino narrativo servido por un estilo paradójicamente pausado. Un insólito alarde de osadía narrativa.

From reader reviews:

Frances Feist:

What do you ponder on book? It is just for students since they're still students or the idea for all people in the world, the actual best subject for that? Only you can be answered for that issue above. Every person has various personality and hobby for every single other. Don't to be compelled someone or something that they don't would like do that. You must know how great and important the book Travesía del horizonte (Spanish Edition). All type of book could you see on many options. You can look for the internet solutions or other social media.

Pamela Dudley:

Book is to be different for every single grade. Book for children until eventually adult are different content. To be sure that book is very important usually. The book Travesía del horizonte (Spanish Edition) ended up being making you to know about other knowledge and of course you can take more information. It is quite advantages for you. The publication Travesía del horizonte (Spanish Edition) is not only giving you much more new information but also to become your friend when you sense bored. You can spend your current spend time to read your guide. Try to make relationship together with the book Travesía del horizonte (Spanish Edition). You never really feel lose out for everything when you read some books.

Elizabeth Nicholson:

As people who live in the particular modest era should be up-date about what going on or information even knowledge to make all of them keep up with the era that is always change and progress. Some of you maybe may update themselves by examining books. It is a good choice to suit your needs but the problems coming to anyone is you don't know what type you should start with. This Travesía del horizonte (Spanish Edition) is our recommendation to cause you to keep up with the world. Why, as this book serves what you want and want in this era.

Belinda Bridges:

Many people spending their moment by playing outside together with friends, fun activity along with family or just watching TV the entire day. You can have new activity to shell out your whole day by reading a book. Ugh, you think reading a book will surely hard because you have to accept the book everywhere? It fine you can have the e-book, getting everywhere you want in your Smartphone. Like Travesía del horizonte (Spanish Edition) which is keeping the e-book version. So , why not try out this book? Let's notice.
