As Ever: Selected Poems (Penguin Poets) Joanne Kyger

This collection of **Joanne Kyger's** work reveals her as one of the major experimenters, hybridizers, and visionaries of poetry. Kyger is a poet of place, with a strong voice—delicate, graceful, and never wasteful; her poems explore themes of friendship, love, community, and morality and draw on Native American myth as well as Asian religion and philosophy. Kyger's love for poetry manifests itself in a grander scheme of consciousness-expansion and lesson, but always in the realm of the everyday. Edited with a foreword by Michael Rothenberg, and with an introduction by poet David Meltzer, this book is a marvelous overview of a wonderfully challenging and important poet.
