Rahul Mahajan

Full Spectrum Dominance: U.S. Power in Iraq and Beyond (Open Media Series) Rahul Mahajan

In this compelling big-picture assessment of the U.S. war on Iraq, Mahajan combines his experience as an anti-Iraq sanctions activist with a keen analysis of U.S. foreign policy in the post-Cold War era to provide the analysis that has been overlooked in the mainstream debate. Situating Iraq within the larger context of post-9/11 foreign policy, he analyzes the Bush National Security Strategy and the new neoconservative vision of achieving increasing degrees of global domination and control. Presented with unflinching clarity, Mahajan's research demonstrates that the war on Iraq was part of a much larger plan, assembled before 9/11 and, as stated by the Project for a New American Century, needing only a "new Pearl Harbor" to implement it.
