La metáfora masónica (Spanish Edition)

Javier Otaola

La metáfora masónica (Spanish Edition) Javier Otaola
BIBLIOTECA DE GRANDES CLÁSICOS MÁSONICOS DEL SIGLO XX

La obra clave de Javier Otaola, uno de los autores masones más prestigiosos del mundo, en una nueva edición revisada.

La Masonería es un viaje, una aventura del pensamiento.

Cuando una persona llama a las puertas de una Logia, con la intención de solicitar ser recibido francmasón, tiene que haber superado ciertos prejuicios profundamente arraigados por la difamación sistemática llevada a cabo durante décadas por parte por toda clase de integrismos de derechas y de izquierda; tendrá que pasar por alto simplezas y lugares comunes, y para llevar a término esa tarea contará sólo con una vaga y provisional idea de lo que la Masonería realmente es. Dispondrá de una sucinta información que ha de haber adquirido gracias a algunos pocos libros, navegaciones azarasas en Internet, quizá amistades que le inspiren confianza y referencias de otras personas a las que otorgue crédito. Este conocimiento, dificultoso entre nosotros, sin embargo puede alcanzarse cabalmente, de una manera libre y adecuada en los países de larga tradición democrática, que son, por otra parte los de larga tradición masónica.
