The Secret Language of Knitters Mary Beth Temple

Moth noun: The devil incarnate, eater of both stash and finished objects. Should be treated with a zero-tolerance attitude." --*The Secret Language of Knitters*

* More than 140 terms, from acrylic to yarn porn, are collected and defined for America's 60 million knitting-obsessed.

From the 25-year-old hipster to her 85-year-old grandmother, more than a third of the women in the United States knit.

For the yarn-obsessed, Mary Beth Temple offers a glossary of knitting jargon and terminology in *The Secret Language of Knitters* with entries like:

* **Design Elements** noun: Mistakes. As in "The fact that one sleeve is five inches longer than the other is not a mistake, it is a design element."

* **Stress Knitting** noun: When the going gets tough, the tough get knitting.

With a universal affinity for cashmere and an absolute abhorrence of moths, veteran and beginning knitters alike will be certain not to cast off this humorous lexicon compendium.

Belinda Tenney:

As a college student exactly feel bored to be able to reading. If their teacher asked them to go to the library or even make summary for some e-book, they are complained. Just small students that has reading's heart and soul or real their pastime. They just do what the professor want, like asked to the library. They go to right now there but nothing reading critically. Any students feel that looking at is not important, boring as well as can't see colorful photos on there. Yeah, it is for being complicated. Book is very important to suit your needs. As we know that on this age, many ways to get whatever you want. Likewise word says, many ways to reach Chinese's country. Therefore this The Secret Language of Knitters can make you truly feel more interested to read.
