The Wild Reel Paul Brandon

When young Irish artist Natasha Newlyn paints, she hears music; a wild, secret symphony of ancient jigs and reels that accompany her stunning watercolor landscapes. Natasha lives in a small sea village in the far west of Ireland, the perfect place for her work...or at least it was until the dreams came. Starting as nothing more than vague erotic images, the dreams begin to grow. Then they begin to affect her art...and intrude into her real life. When an invitation arrives to attend her friend's wedding in Brisbane, Australia, Natasha seizes the chance to have a vacation and sort out her confused mind.

But there is someone else who can also hear her secret music. Someone unearthly and dangerous. Someone who covets her: Finvarra, the Faerie King of Connaught. He has decided that she will be his next bride, and to that end he will follow her to the other side of the world.

But the entire Irish Faerie Court is a little out of place in the sub-tropical streets of Brisbane, Australia; and like many things, winning the heart (or at least the soul) of a mortal just isn't as easy as it used to be.
