Transforming Congregations James Lemler

How can our patterns of congregational life and mission renew themselves and adjust to changing culture without selling out what Episcopalians stand for? How can local faith communities stay resilient and hopeful? What styles and practices of spirituality do most to enrich our mission?

These are some of the questions James Lemler poses in this book on mission for clergy and congregational discussion. As with evangelism, there is both good and bad news about Episcopalians and mission. Lemler also provides a variety of models for moving forward in mission and hope, to a more abundant future.
