College freshman Liv is more than just a fangirl: The *Starveil* movies are her life...and her last tangible connection to her deceased father. Thus, when her favorite character, Captain Matt Spartan, is killed off at the end of the last movie, Liv Just. Can't. Deal.

Tired of sitting in her room sobbing, Liv decides to launch an online campaign to bring her beloved hero back to life. With the help of her best friend, Xander, actor and steampunk cosplayer extraordinaire, she creates #SpartanSurvived, a call that ignites the fandom. But as her online life succeeds beyond her wildest dreams, Liv is forced to balance that with the pressures of school, her (mostly nonexistent and entirely traumatic) romantic life, and her disapproving mother's new boyfriend. A trip to DragonCon with Xander might be exactly what she needs to get away from it all... and figure out what (and who!) she really wants, in this geeky romance by Danika Stone.
