Integral spirituality, integral philosophy and the integral age, at an overall or holistic level of consciousness, has become a strong enough idea to form the genesis of a movement over the course of the last half century - and Integral Polity applies this notion to business, economics and enterprise. Using case studies ranging across the globe this review of a newly integral theory and practice provides a new lease on life to what may increasingly be perceived as the self-seeking, insulated and occasionally violent and corrupt realm of the political.
