Las fuentes del Nilo (Spanish Edition) Gonzalo Suárez

«La obra literaria de Gonzalo Suárez no es sólo muestra inequívoca de la presencia de un narrador vigoroso y distinto, sino también hitos que señalaban el camino de una modernidad a la que la literatura español estaba pugnando por incorporarse.» Javier Cercas Las fuentes del Nilo reúne todos los relatos breves de un escritor que se expresa con imágenes y palabras, sorprendiendo siempre y abriendo vías para la creatividad del lector. Textos, hoy inencontrables en su mayoría, que en su momento alborotaron el panorama literario español. El libro recupera la imaginación y vitalidad de los relatos de Gonzalo Suárez, que supusieron un revulsivo en los años sesenta y constituyen la génesis de su obra literaria. La lectura como aventura y la creación como juego alcanzan las más altas cotas de humor, emoción y sorpresa. «Suárez es dueño de un sistema lógico capaz de poner al descubierto la maquinaria de la realidad. Quizá radique en su manera de enfrentarse a lo real como algo fantástico y a lo fantástico como algo real lo que produce efectos tan sorprendentes y desencadena esos relámpagos de inteligencia que recorren todos los relatos dándoles una rara unidad.» Juan José Millás
