The Ritual Adam Nevill

When four old University friends set off into the Scandinavian wilderness of the Arctic Circle, they aim to briefly escape the problems of their lives and reconnect with one another. But when Luke, the only man still single and living a precarious existence, finds he has little left in common with his well-heeled friends, tensions rise. As the four friends stagger in the direction of salvation, they learn that death doesn't come easy among these ancient trees . . .
