Alpha Early Childhood Development and Education series is developed in line with the ECDE 2008 syllabus by KIE. The books in this series come with colorful illustrations and are presented in a child friendly language. They are designed for use both at home and at school.

Because of logistical difficulties and high costs, many schools in developing countries do not have easy access to textbooks. Worldreader addresses that problem using e-reader technology. Worldreader works with textbook publishers across the developing world to offer a range of digital textbooks to schools as part of their wider goal to promote literacy by bringing books to all.
