Praise for Crime Classification Manual

"The very first book by and for criminal justice professionals in the major case fields. . . . The skills, techniques, and proactive approaches offered are creatively concrete and worthy of replication across the country. . . . Heartily recommended for those working in the 'front line' of major case investigation."

—John B. Rabun Jr., ACSW, Executive Vice President and Chief Operating Officer, National Center for Missing and Exploited Children

"[CCM] is an outstanding resource for students pursuing forensic science degrees. It provides critical information on major crimes, which improve the user's ability to assess and evaluate."

—Paul Thomas Clements, PhD, APRN-BC, CGS, DF-IAFN Drexel University Forensic Healthcare Program

The landmark book standardizing the language, terminology, and classifications used throughout the criminal justice system

Arranged according to the primary intent of the criminal, the *Crime Classification Manual, Third Edition* features the language, terms, and classifications the criminal justice system and allied fields use as they work to protect society from criminal behavior.

Coauthored by a pioneer of modern profiling and featuring new coverage of wrongful convictions and false confessions, the *Third Edition*:

- Tackles new areas affected by globalization and new technologies, including human trafficking and internationally coordinated cybercrimes
- Expands discussion of border control, The Bureau of Alcohol, Tobacco, Firearms and Explosives (ATF), and Homeland Security
- Addresses the effects of ever-evolving technology on the commission and detection of crime

The definitive text in this field, *Crime Classification Manual, Third Edition* is written for law enforcement personnel, mental health professionals, forensic scientists, and those professionals whose work requires an understanding of criminal behavior and detection.
