En las fauces del león (Hanne Wilhelmsen 4) (Spanish Edition) Anne Holt, Berit Reiss-Andersen

AVISO A LOS LECTORES:

Cuando leas un libro de la serie de la inspectora Hanne Wilhelmsen no vas a poder parar.

«Anne holt es la madrina de la novela negra noruega.»

Jo Nesbø

La primera ministra noruega ha sido asesinada. Tras apenas seis meses de mandato, su cadáver aparece en el despacho oficial con un tiro en la cabeza. ¿Se trata de un asesinato político o de una venganza personal?

Así da comienzo la investigación de un caso que una vez más recae en la inteligente Hanne Wilhelmsen. El asesinato ha conmovido hasta la médula a la sociedad noruega: nunca antes la violencia había hecho acto de presencia con tal intensidad en el país. Hanne debe manejar la información con prudencia: los ciudadanos deben estar debidamente informados y a la vez debe protegerse la privacidad de la víctima; por todo ello, el caso se convierte en el trabajo más delicado de su carrera. Además, el rastreo del asesino es complicado: se persigue a neonazis, rivales políticos y personas implicadas en escándalos de hace más de treinta años.

En las fauces del león, cuarto título de la serie de Hanne Wilhelmsen, es una novela que reflexiona sobre las mentiras, la manipulación y la persecución del poder a cualquier precio.

Un *House of Cards* escandinavo.

La crítica ha dicho...

«La novela analiza la corrupción a través de una trama negra muy ágil. Esta es la clave de la maestría de Anne Holt.»

El País

«*En las fauces del león* es la mejor novela de la serie protagonizada por Hanne Wilhelmsen.»

The New York Times

«*En las fauces del león* retrata la crisis moral de un país. Es fascinante.»

Berliner Morgenpost

«Trasciende la peripecia policíaca para abordar temas como la política, la religión, los derechos humanos, la injusticia, la intolerancia, la corrupción, el tráfico de drogas o la violencia, y refleja al mismo tiempo la realidad de su país.»

El País
