In the tradition of Michael Green's successful "Who Is This Jesus?" and "My God", comes "Follow in His Footprints", a beautifully packaged inspirational book in the same popular format. Michael Green directs this book to readers who feel adrift and alone with a lack of purpose in the world. He stimulates their thinking about personal significance in a highly materialistic world. Readers are led to a most critical choice, whether or not to follow the "footprints" left behind by a Creator and Savior.
