Denis Johnson

Shoppers Denis Johnson

"Perfection is not the basis of what I'm talking about," says a member of the Cassandra family, which forms the center of Denis Johnson's plays, *Hellhound on My Trail* and *Shoppers Carried by Escalators Into the Flames*. The character could be speaking for his creator, because human imperfection is one of Denis Johnson's specialties -- in his critically acclaimed novels, short stories, and nonfiction, and, now, in two brilliant new plays.

These two works present a dramatized field guide to some of the more dysfunctional and dysphoric inhabitants of the American West: a sexual-misconduct investigator who misconducts herself sexually; a renegade Jehovah's Witness who supports his splinter Jehovean group by dealing drugs; the Cassandra Brothers and their father and their grandmother, thrown together at a family reunion/wedding/melee at their shabby homestead in Ukiah, California.

When *Shoppers Carried by Escalators Into the Flames* was performed in San Francisco in 2001, the *Chronicle* said, *There's an enormous appeal in Johnson's bleak-comic vision of a semi-mythic American West*. That appeal derives from the author's perfect vision of imperfection, embodied with such energy and courage in these marvelous pieces of theatre.

From reader reviews:

Roy Christy:

Have you spare time for any day? What do you do when you have more or little spare time? Yes, you can choose the suitable activity to get spend your time. Any person spent their spare time to take a go walking, shopping, or went to typically the Mall. How about open or perhaps read a book titled Shoppers? Maybe it is being best activity for you. You already know beside you can spend your time together with your favorite's book, you can better than before. Do you agree with the opinion or you have different opinion?

James Stover:

The publication with title Shoppers contains a lot of information that you can learn it. You can get a lot of advantage after read this book. This specific book exist new knowledge the information that exist in this book represented the condition of the world right now. That is important to yo7u to know how the improvement of the world. This kind of book will bring you inside new era of the glowbal growth. You can read the e-book in your smart phone, so you can read it anywhere you want.

Richard Simpson:

Why? Because this Shoppers is an unordinary book that the inside of the publication waiting for you to snap this but latter it will shock you with the secret this inside. Reading this book next to it was fantastic author who all write the book in such wonderful way makes the content inside of easier to understand, entertaining method but still convey the meaning entirely. So , it is good for you for not hesitating having this ever again or you going to regret it. This phenomenal book will give you a lot of gains than the other book have got such as help improving your expertise and your critical thinking means. So , still want to postpone having that book? If I ended up you I will go to the e-book store hurriedly.

Susan Bondurant:

Do you like reading a publication? Confuse to looking for your preferred book? Or your book was rare? Why so many problem for the book? But any kind of people feel that they enjoy with regard to reading. Some people likes studying, not only science book but also novel and Shoppers or even others sources were given expertise for you. After you know how the great a book, you feel need to read more and more. Science reserve was created for teacher or perhaps students especially. Those publications are helping them to add their knowledge. In additional case, beside science e-book, any other book likes Shoppers to make your spare time more colorful. Many types of book like here.
