Grace Through Faith Making It Real These crucial studies prove to be stimulating and revitalizing, and their life-changing principles will help stabilize Christian foundational beliefs. Begin your journey through the most profound experience of life, and start Walking Toward the Light. 'You have done some great work here. As an evangelist, I am always looking for good material to put into the hands of those who make a decision to follow Jesus. Some of the things we see are either too complicated or too biased. Some are great for young people but too juvenile for adults. Yours, however, is just like Baby Bear's portage., 'just right.' I'm sure this will be a very useable tool for people who want to help others move onward with the Lord. Thank you for this wonderful resource. Mike Warnke, Evangelist & Christian Comedian 'This work should not be confused with a denominational handbook. Jane has done a good job of keeping free from sectarian or theological bias. The book is Scripture study from start to finish. I am convinced that Walking Toward the Light will become a standard textbook for many churches to use in newcomers class, Sunday school, discipleship programs, or regular Bible study groups.'
