What Adam Smith Knew: Moral Lessons on Capitalism from Its Greatest Champions and Fiercest Opponents

What exactly is capitalism, and why do its advocates support it? What are the main objections to capitalism that have been raised by its critics? Are there moral reasons to support capitalism, or to oppose it? In this time of globalization and economic turbulence, these questions could not be more timely or more important.

This book provides some answers through seminal readings on the nature, purpose, and effects of capitalism as understood by its most influential expositors, both historical and contemporary. In addition to Adam Smith himself, the selections gathered here include essays and excerpts by thinkers ranging from Locke and Rousseau to Hayek and Cass Sunstein. All are chosen and arranged to highlight the ways that capitalism bears on a set of fundamental human concerns: liberty, equality, social order, virtue and motivation.

If you want to develop an informed judgment about whether markets and morality mix, this anthology is a good place to begin.

Houston Estes:

Is it you actually who having spare time in that case spend it whole day by simply watching television programs or just lying on the bed? Do you need something new? This What Adam Smith Knew: Moral Lessons on Capitalism from Its Greatest Champions and Fiercest Opponents can be the solution, oh how comes? A fresh book you know. You are consequently out of date, spending your time by reading in this brand-new era is common not a geek activity. So what these textbooks have than the others?

Helen Widner:

As a student exactly feel bored to help reading. If their teacher inquired them to go to the library or even make summary for some book, they are complained. Just minor students that has reading's heart and soul or real their passion. They just do what the teacher want, like asked to the library. They go to generally there but nothing reading very seriously. Any students feel that reading is not important, boring in addition to can't see colorful pictures on there. Yeah, it is for being complicated. Book is very important to suit your needs. As we know that on this period of time, many ways to get whatever we would like. Likewise word says, ways to reach Chinese's country. Therefore this What Adam Smith Knew: Moral Lessons on Capitalism from Its Greatest Champions and Fiercest Opponents can make you sense more interested to read.
