Bloodshifted (An Edie Spence Novel Book 5) Cassie Alexander

Ambushed. Blindfolded. Kidnapped by vampires. Edie Spence must race against time to save herself and her baby—from the nightmare that flows through her veins...

As a nurse in the hospital's secret Y4 ward, Edie has seen her share of daytimers. Once-ordinary humans who've tasted vampire blood, daytimers are doomed to serve their nighttime masters. Forever. And now Edie has to face something even more horrifying: she's become one too...

BLOODSHIFTED

Abducted by the vampire Raven, Edie is taken to the catacombs beneath the Catacombs, an ironically-named L.A. night club that supplies fresh blood and other favors for its vampire Masters. Edie has no intention of swapping her nurse's uniform for a cocktail dress—not when her newborn infant needs her. But if she and Asher—her shapeshifter fiancé—can't figure out a way to bleed Raven's power, they may never get out of this plasma-soaked pleasure palace... undead or alive.

"Alexander takes her noir urban fantasy to a new level...a lively, addictive story that leaves you wanting more."—*RT Book Reviews on Shapeshifted*

"Cassie Alexander's first book about Nurse Edie Spence is dark and energetic. You'll really enjoy it; I'm looking forward to reading the others in the series."—Charlaine Harris, New York Times bestselling author of the Sookie Sackhouse series
