Le parcours (French Edition)

Lee Goldberg

Le parcours (French Edition) Lee Goldberg

C'est une minute après le grand séisme, le « Big One ». Marty Slack, un exécutif de chaîne de télévision, émerge de dessous sa Mercedes, garée devant ce qui fut un entrepôt au centre de Los Angeles et le lieu de tournage d'une nouvelle série télévisée. Le centre de Los Angeles est en ruines. Le ciel est recouvert d'une fumée noire. Le portable de Marty est mort. Les autoroutes sont sous les décombres. L'aéroport est démoli. Des bâtiments gisent dans les rues comme des arbres abattus. Ça prendra des jours avant que l'aide n'arrive.

Marty a attendu ce jour toute sa vie. Il est prêt. Dans sa voiture, il y a une solide paire de chaussures de marche, un sac de nourriture, de l'eau, une trousse de secours. Il sait qu'il n'y a qu'une seule chose qu'il puisse faire... Il doit rentrer chez lui pour sa femme, Beth, retourner dans son quartier résidentiel à l'autre bout de la San Fernando Valley.

Tout ce qu'il doit faire, c'est marcher. Mais il apprendra vite que ce n'est pas si facile. Son voyage, dangereux et imprévisible, le conduira dans différents univers de ce qui fut Los Angeles. Les incendies sont hors de contrôle, les inondations jaillissent des barrages effondrés. Des explosions de gaz naturel provoquent des incendies dans certains quartiers. Des crevasses dans le sol avalent des immeubles entiers. Des répliques du séisme labourent la terre. Les pillards se déchaînent dans les rues.

Il n'y a pas d'électricité. Pas d'eau courante. Pas de loi.

Marty Slack pense qu'il est prêt. Il a tort. Rien ne peut le préparer à cette épreuve. Une quête de sa famille et de son âme, un périple qui va tester les limites de son endurance et de son humanité, une longue marche de l'homme qu'il était à l'homme qu'il peut devenir... s'il peut survivre au Parcours.

From reader reviews:

George Lehman:

Book is to be different for every single grade. Book for children till adult are different content. As we know that book is very important for all of us. The book Le parcours (French Edition) has been making you to know about other expertise and of course you can take more information. It is quite advantages for you. The reserve Le parcours (French Edition) is not only giving you much more new information but also being your friend when you truly feel bored. You can spend your personal spend time to read your e-book. Try to make relationship with the book Le parcours (French Edition). You never really feel lose out for everything should you read some books.

Belinda Kirwin:

Spent a free time to be fun activity to do! A lot of people spent their spare time with their family, or their very own friends. Usually they performing activity like watching television, planning to beach, or picnic from the park. They actually doing ditto every week. Do you feel it? Do you need to something different to fill your own free time/ holiday? Could be reading a book may be option to fill your free time/ holiday. The first thing you ask may be what kinds of book that you should read. If you want to test look for book, may be the reserve untitled Le parcours (French Edition) can be good book to read. May be it may be best activity to you.

Jennifer Shipley:

A lot of people always spent their free time to vacation or even go to the outside with them family members or their friend. Did you know? Many a lot of people spent many people free time just watching TV, or even playing video games all day long. In order to try to find a new activity honestly, that is look different you can read any book. It is really fun for you. If you enjoy the book you read you can spent all day every day to reading a publication. The book Le parcours (French Edition) it is rather good to read. There are a lot of people that recommended this book. These were enjoying reading this book. Should you did not have enough space to bring this book you can buy typically the e-book. You can m0ore easily to read this book through your smart phone. The price is not to cover but this book has high quality.

Brandon Gentry:

Do you like reading a reserve? Confuse to looking for your favorite book? Or your book seemed to be rare? Why so many concern for the book? But just about any people feel that they enjoy for reading. Some people likes looking at, not only science book but also novel and Le parcours (French Edition) or maybe others sources were given knowledge for you. After you know how the truly great a book, you feel wish to read more and more. Science book was created for teacher or even students especially. Those publications are helping them to increase their knowledge. In other case, beside science book, any other book likes Le parcours (French Edition) to make your spare time considerably more colorful. Many types of book like this.
