## **The Gestapo, a History of Horror** Jacques Delarue

From 1933 to 1945, the Gestapo was Nazi Germany's chief instrument of counter-espionage, political suppression, and terror. Jacques Delarue, a saboteur arrested by the Nazis in occupied France, chronicles how the land of Beethoven elevated sadism to a fine art. *The Gestapo: A History of Horror* draws upon Delarue's interviews with ex-Gestapo agents to deliver a multi-layered history of the force whose work included killing student resisters, establishing Aryan eugenic unions, and implementing the Final Solution. This is a probing look at the Gestapo and the fanatics and megalomaniacs who made it such a successful and heinous organization-Barbie, Eichmann, Himmler, Heydrich, Müller. The Gestapo's notorious reign led to the murder of millions. *The Gestapo* is an important documentation of what they did and how they did it.
