What I Wore to Save the World Maryrose Wood

Third in the fabulous series that started with *Why I Let My Hair Grow Out*

Senior year's coming up fast and Morgan still has no clue about college, or a career—the whole rest-of-her-life thing is basically a blank. Maybe it's because she spent her junior year obsessing about Colin, the hot Irish guy she fell for last summer (that was right around the same time she discovered she's a half-goddess from the days of Irish lore—you had to be there). She even saved Colin from a nasty enchantment, but he doesn't know that. Colin doesn't believe in magic, not even a little.

But then a mysterious message reunites her with Colin, who turns out to be caught up in the biggest faery-made disaster ever. We're talking the end of reality—not just reality TV. To save the world, she's going to have to tell Colin the truth about her half-goddess mojo. But if he doesn't believe in magic, how will he ever believe in her?
