Which Way's Up?: The Big Challenges Facing Britain and How to Confront Them Nicholas Boles
Nicholas Boles, newly elected MP for Grantham and Stamford, is the founder and former director of the influential right-of-centre think tank, Policy Exchange. More importantly, this close friend of David Cameron and leading Conservative moderniser drew up the Tories' plans for government, making him more powerful than most members of the former Shadow Cabinet. In *Which Way's Up*, this leading political thinker looks at how David Cameron, at the head of a modern, coalition government, can transform Britain. This book is a wide-ranging examination of the problems (and solutions) facing Britain, from one of the new government's preeminent movers and shakers. It will also be a unique chronicle of the first six months of this historic new government.
