**Yo fui K: Hablan los arrepentidos del Modelo (Spanish Edition)** Eduardo Blanco, Fernando Sánchez

"Un día, estaba charlando con Alberto y apareció Néstor", cuenta Graciela Ocaña. "Néstor me explicó cuál era la idea. Hizo un dibujo y me dijo: acá estamos nosotros, acá están todos los factores de poder, los militares, los sindicalistas, y acá está la gente, desparramada.

Nosotros tenemos que tratar de hacer las reformas necesarias para ir contra estos grupos de poder, los bancos, la Justicia, etcétera, con el apoyo popular, de la gente."

Esta es sólo una de las historias íntimas que revela Yo fui K. Más allá de que este libro convoca por primera vez a algunos de los principales protagonistas del kirchnerismo para que puedan manifestar qué los llevó a abandonar el barco de Néstor y Cristina Kirchner, su mayor hallazgo radica en mostrar cómo se construye el poder en nuestro país y cómo viven sus propias luchas quienes están a cargo del destino de los argentinos.

Desde las reuniones de Néstor con Eduardo Van der Kooy para arreglar la tapa de Clarín del día siguiente, cuando todavía el diario apoyaba al gobierno, hasta la confesión del día en que Cristina quiso renunciar, Yo fui K logra la sinceridad brutal de Alberto Fernández, Martín Lousteau, Roberto Lavagna, Jorge Yoma y Luis Juez, entre otros, quienes relatan la intimidad de sus experiencias en las entrañas del poder y explican, sin vueltas, por qué se alejaron del kirchnerismo.

Escrito con la ironía de la que son capaces dos de los creadores de la revista Barcelona como Eduardo Blanco y Fernando Sanchez, Yo fui K es, quizás sin proponérselo, uno de los mejores libros sobre la última década de política argentina.
