Candide ou l'optimisme (French Edition) Voltaire

De Genève, Voltaire apprend successivement le tremblement de terre de Lisbonne de 1755, qui fit des milliers de morts, puis, en 1756, le début de la Guerre de Sept Ans. Touché par ces événements il écrit, cette année-là, dans son Essai sur l'Histoire Générale que «Presque toute l'histoire est une suite d'atrocités inutiles» et envoie à Jean-Jacques Rousseau un Poème sur le désastre de Lisbonne. Celui-ci lui répond et tente de justifier la providence divine. Candide ou l'optimiste lui est-il une réponse ? Dans tous les cas, l'optimisme de Leibnitz, le chantre du meilleur des mondes possibles et de l'harmonie préétablie, incarné dans l'histoire par Pangloss, le mentor de Candide, est certainement mis à mal par les péripéties de ce conte. Elles éduqueront peu à peu notre héros naïf et l'entraîneront de l'Allemagne au Portugal et du Pérou à Constantinople. Dans ce pamphlet contre Leibnitz et l'idée qu'un mal nécessaire en cette terre est compensé par un bien d'essence supérieure et celle d'un monde dans lequel rien n'arrive sans qu'il n'y ait une cause nécessaire, Voltaire, s'amuse à déconstruire le vernis de bonheur que nous présentons tous au monde et ironise sur le conservatisme social d'une noblesse qui sera en fin de vie dans quelques décennies. Candide est un fils naturel car son père ne pouvait prouver soixante et onze quartiers de noblesse. Surpris avec Cunégonde sa cousine, il est chassé du château de son oncle « à coups de pied dans le cul ». Enrôlé dans les armées bulgares, il fuit la guerre et apprend que Cunégonde et sa famille ont été massacrés par les Bulgares. Il échouera, avec Pangloss son ancien mentor devenu gueux à Lisbonne au moment du tremblement de terre. Victime, mais survivant de l'autodafé expiatoire qui suit cette catastrophe, il découvre que Cunégonde est vivante et n'aura de cesse de la retrouver, du Pérou à l'Eldorado, puis de Paris à Constantinople. Mais finalement, conclut Candide, ne vaut-il pas mieux cultiver son jardin ? Réédité vingt et une fois du vivant de l'auteur, Candide est un des plus grands succès littéraires francophones. 1759

From reader reviews:

Hannelore Evans:

In this 21st century, people become competitive in every way. By being competitive now, people have to do something to make themselves survive, being in the middle of often the crowded place and notice simply by their surroundings. One thing that occasionally many people have underestimated this for a while is reading. Yep, by reading a guide your ability to survive improves then having a chance to stand out than others is high. For you who want to start reading some sort of book, we give you this particular Candide ou l'optimisme (French Edition) book as a beginning and daily reading reserve. Why, because this book is greater than just a book.

John Guenther:

Reading a reserve can be one of a lot of tasks that everyone in the world enjoys. Do you like reading books thus? There are a lot of reasons why people enjoy. First, reading a reserve will give you a lot of new facts. When you read a publication you will get new information due to the fact that a book is one of a number of ways to share the information or even their ideas. Second, studying a book will make you actually more imaginative. When you read through a book especially fictional works the author will bring someone to imagine the story how the characters do anything. Third, it is possible to share your knowledge with others. When you read this Candide ou l'optimisme (French Edition), you could tell your family, friends and soon about your e-book. Your knowledge can inspire others, make them reading a guide.

Steven Cordell:

In this age of globalization it is important for someone to acquire information. The information will make a professional understand the condition of the world. The health of the world makes the information easier to share. You can find a lot of referrals to get information example: internet, newspapers, books, and soon. You will observe that now, a lot of publishers that will print many kinds of books. The actual book that is recommended to your account is Candide ou l'optimisme (French Edition) this guide consists a lot of the information of the condition of this world now. This specific book was represented just how the world has grown up. The language styles that the writer uses to explain it are easy to understand. Often the writer made some analysis when he made this book. Here is why this book is suitable for all of you.

Wesley Mansour:

On this era which is the greater individual or who has ability in doing something more are more precious than others. Do you want to become one of them? It is just a simple approach to have that. What you have to do is just spending your time a little but quite enough to have a look at some books. One of many books in the top collection in your reading list is definitely Candide ou l'optimisme (French Edition). This book and that is qualified as The Hungry Incline can get you closer in turning out to be a precious person. By looking up and reviewing this book you can get many advantages.
