## **Constantine and the Conversion of Europe** A. H. Jones

Constantine the Great was Roman Emperor from 306 to 337 AD. As emperor, Constantine enacted many administrative, financial, social, and military reforms to strengthen the empire. The government was restructured and civil and military authority separated. A new gold coin, the solidus, was introduced to combat inflation. It would become the standard for Byzantine and European currencies for more than a thousand years.
