**Foxhunting: How to Watch and Listen (Foxhunters Library)** MFH, Hugh J. Robards

Internationally renowned Master and huntsman Hugh J. Robards, MFH engagingly informs foxhunters, new or experienced, how to more fully absorb the drama of the hunt. What is the huntsman doing? Why does he do that? What about the whippers-in? The Field Master? The hounds? The fox? What problems do each encounter in the field during the course of a typical hunt? What decisions must they make? It may be a revelation to some, especially those who hunt to ride, but even while standing still, things are happening if you know what to look for and how to interpret what you see. By learning what to watch and listen for, field members can increase their awareness and thus their enjoyment of every hunting day.
