Freud's Paranoid Quest: Psychoanalysis and Modern Suspicion

John C. Farrell

Freud's Paranoid Quest: Psychoanalysis and Modern Suspicion John C. Farrell

Freud's Paranoid Quest is an exceptionally broad-ranging and well-written book....Whether or not one agrees with certain of his arguments and assessments, one must acknowledge the remarkable intelligence that is displayed on nearly every page.

--*Louis Sassauthor of Madness and Modernism and The Paradoxes of Delusion*

John Farrell's **Freud's Paranoid Quest** is the most trenchant, exhilarating and illuminating book I have encountered in many years. [The book] should be pondered not just by all students of Freud's thought but by everyone who senses that 'advanced modernity' has by now outstayed its welcome.

--*Frederick CrewsUniversity of California, Berkeley*

In *Freud's Paranoid Quest*, John Farrell analyzes the personality and thought of Sigmund Freud in order to give insight into modernity's paranoid character and into the true nature of Freudian psychoanalysis. John Farrell's Freud is not the path-breaking psychologist he claimed to be, but the fashioner and prisoner of a total system of suspicion. The most gifted of paranoids, Freud deployed this system as a self-heroizing myth and a compelling historical ideology.
