México en el mundo (1880-1930) (Spanish Edition)

María Cecilia Zuleta

México en el mundo (1880-1930) (Spanish Edition) María Cecilia Zuleta

Un riguroso análisis del papel representado por México en la escena mundial que coincide con una dinámica internacional compleja, de expansión del capitalismo e imperialismo europeo, de guerra (Primera Guerra Mundial) y Revolución (Revolución Rusa).

La colección **América Latina en la Historia Contemporánea** es uno de los proyectos editoriales más importantes de las últimas décadas y una aportación original y novedosa a la historiografía sobre América Latina en la que han participado más de 400 historiadores de diversos países. Presenta una visión plural y accesible de la historia contemporánea de las naciones latinoamericanas -incluyendo aquellas otras, europeas o americanas, que más han aportado a su materialización- y revela las claves políticas, sociales, económicas y culturales que han determinado su trayectoria y el lugar en el mundo que hoy ocupan.

Distinciones:

Premio de la revista *La Aventura de la Historia* a la mejor iniciativa editorial
