### Once Upon a Tandem Jay Payleitner

With poetic language, vivid imagery, and artistic illustrations, this simple, yet profound, book shares an invaluable message of hope and direction for every traveler on the road of life.

In the spirit of *The Giving Tree* and *The Tale of Three Trees*, this beautiful allegory shares the story of a traveler on the road of life. The unnamed sojourner pedals alone on a bicycle built for two—until one day a stranger is invited along for the ride, and through the shared experiences of the road, the stranger becomes a lifelong guide and friend. With poetic language, vivid imagery, and artistic illustrations, this simple, yet profound, book shares an invaluable message of hope and direction for every traveler on the road of life.
