There are between five and eight million Muslims living in the United States today. They either are, or soon will be, your neighbors and co-workers. Does the thought of reaching out to them with the gospel make you nervous? How can you effectively communicate the good news with such large theological differences? *The Gospel for Muslims* can help make sharing your faith easier than you think.

Thabiti Anyabwile, himself a convert from Islam to Christianity, instructs you in ways to share the good news of Christ with your neighbors and friends. *The Gospel for Muslims* allows you to focus on the people rather than the religious system. Meant for the average Christian, this book is not an exhaustive apologetic or a detailed comparative study of Christianity and Islam. Rather, it compellingly stirs confidence in the gospel, equipping the reader with the basics necessary to communicate clearly, boldly, and winsomely.
