## **When Clowns Attack: A Survival Guide** Chuck Sambuchino **THEY'RE COMING FOR YOU**

Coulrophobia--the fear of clowns--is very real and for good reason. You might think these red-nosed jokers are creepy, sure, but certainly not dangerous. You'd be wrong. Clowns never reveal their real names, and dress to obscure their identities. The rules of civilized society don't apply to them (what other stranger could offer candy to children and get away with it?), they have countless places to hide weapons on their person, and their appearance is downright unnatural. Clowns are the scariest people on earth, and the truth is, they are coming for your valuables, your children, and your sanity.

In this comprehensive guide to self-protection from clown creepery, petty crime, and violence, Chuck Sambuchino--founder of the anti-clown group Red Nose Alert--delves into the terrifying clown underworld to provide the knowledge you need to know to protect yourself from these seemingly innocuous gagsmen, using his proven four-step system: ASSESS, ANALYZE, DEFEND, PROTECT. Included within are instructions on how to defeat a clown in close combat, tips for spotting the plainclothes clown, and tutorials for fully clown-proofing your home against these painted and bewigged warriors. Most importantly, you'll learn what to do when clowns attack... because it's only a matter of time before they do.

*From the Hardcover edition.*

You can see that now, a lot of publisher that print many kinds of book. The book that recommended to your account is *When Clowns Attack: A Survival Guide* this e-book consist a lot of the information of the condition of this world now. This specific book was represented so why is the world has grown up. The vocabulary styles that writer make usage of to explain it is easy to understand. The actual writer made some analysis when he makes this book. This is why this book appropriate all of you.

#### **Arthur Pineda:**

As a college student exactly feel bored for you to reading. If their teacher requested them to go to the library or even make summary for some publication, they are complained. Just minor students that has reading's heart and soul or real their pastime. They just do what the trainer want, like asked to the library. They go to at this time there but nothing reading critically. Any students feel that studying is not important, boring as well as can't see colorful photographs on there. Yeah, it is being complicated. Book is very important for yourself. As we know that on this period, many ways to get whatever we would like. Likewise word says, ways to reach Chinese's country. Therefore this *When Clowns Attack: A Survival Guide* can make you truly feel more interested to read.
