There can be solid growth in the midst of life's uncertainties, tribulations, and spiritual confusion. God changed Saul to Paul on the road to Damascus; Simon the fisherman grew into Peter, the fisher of men; and Abram and Sarai grew into Abraham and Sarah. Each allowed God to change them, and their lives were transformed by growing from student to servant. How does God cause this growth? Whether you are taking the first steps on your faith journey or you are an experienced shepherd looking for God's growth in your small groups or your congregation, *From Speak to Share: How God Builds a Christian* provides a practical and biblically-based framework for developing a greater relationship with God.
