La edad de hierro (Spanish Edition) J.M. Coetzee

**Un emocionante y extraordinario relato sobre la historia de una mujer sudafricana a punto de morir de cáncer durante el régimen del *apartheid*.**

Una mujer madura, enferma de muerte por un cáncer de huesos, escribe una larga carta a su hija. Esta vive en Estados Unidos, alejada del infierno en el que se ha convertido su país natal y residencia de su madre: Sudáfrica, un escenario escabroso bajo el régimen del *apartheid*.

El día en que la protagonista regresa del médico con pésimas noticias, descubre a un vagabundo negro refugiado en su cobertizo, y así da comienzo una relación íntima y ambigua. Ni amigos ni amantes, ambos personajes se acompañan en una etapa personal e histórica especialmente dura.

## Reseña:

«La edad de hierro es una novela de una belleza rara, diría incluso que existe la extraña necesidad de esta novela.»

Jordi Llovet, *El País*
