La 'Ndrangheta. Dalla Calabria verso il resto del mondo (Italian Edition) Anna Abbenante

La 'Ndrangheta, la mafia calabrese che ormai da diversi anni ha preso piede nelle più disparate pieghe della nostra società, è riuscita a ungere con la propria oleosa presenza anche zone del mondo lontanissime dalla Calabria, sia in termini geografici sia di mentalità.

In silenzio, senza grandi scalpori, questa mafia antica e allo stesso tempo aperta al progresso e alle innovazioni, con opportune manovre degne di un esperto trasformista, ha colonizzato aree geografiche che un'altra multinazionale avrebbe considerato sicuramente irraggiungibili.

È necessario mantenere viva l'attenzione su questa piaga sociale; è importante parlarne e non aspettare il fatto di sangue che porta inevitabilmente la 'Ndrangheta alla ribalta sulle maggiori testate giornalistiche. Il problema c'è, soprattutto quando non si riesce a vedere.
