Period (Cooper, Dennis)

Dennis Cooper

Period (Cooper, Dennis) Dennis Cooper

The stunning conclusion to Dennis Cooper's five-book cycle, *Period* earned its author the accolade "a disquieting genius" by *Vanity Fair* and praise for his "elegant prose and literary lawlessness" by *The New York Times*. The culmination of Cooper's explorations into sex and death, youth culture, and the search for the ineffable object of desire, *Period* is a breathtaking, mesmerizing final statement to the five-book cycle it completes. Cooper has taken his familiar themes -- strangely irresistible and interchangeable young men, passion that crosses into murder, the lure of drugs, the culpabilities of authorship, and the inexact, haunting communication of feeling--and melded them into a novel of flawless form and immense power. Set in a spare, smoke-and-mirror-filled world of secret Web sites, Goth bands, Satanism, pornography, and outsider art, *Period* is a literary disappearing act as mysterious as it is logical. Obsessive, beautiful, and darkly comic, *Period* is a stunning achievement from one of America's finest writers.
