Sparrow Reed might look like an angel, but she's a witch with a back full of enchanted tattoos and she's not afraid to use them. When her best friend's life is threatened by an evil Goddess, Sparrow joins an epic battle against the demons sent to destroy her home. She never realized that the night she almost died, her life would truly begin.

Rowen Aerion of the Knights of the Fog was sent to the human realm to tip the balance in an unfair fight. But when he arrives on Alcatraz Island to aid the mortal humans, he sees an angel fighting demons. But she's not an angel, she's human. And according to a soothsayer, his love for her will mean her demise.

Sparrow is thrust into a world she never imagined existed, yet nothing thrills her like the handsome warrior who refuses her seduction. When Rowen's rejection sends Sparrow into the arms of a dangerous rebel, Rowen must decide which is more dangerous, the oracle's grim warning, or forsaking his heart's sole desire.
