Special Lassi Amrita Chatterjee

A Backbreaking Misadventure in the Himalayas

A psychedelic odyssey like no other, spanning the exotic foothills of the eastern Himalayas.

In the summer of 2011, two bleary-eyed kids, teetering on the cusp of adulthood, decide to drop out of the daily grind and just travel. But once they hit the road, their plans go out the window. Soon, they are barreling over potholes the size of lunar craters in Nepal, bungee jumping in Rishikesh, waking up to Buddhist chants in Sikkim and cycling down the world's highest motorable pass in Ladakh. On the way is a constant stream of oddballs, like the five-second-tea lady, the flute-playing hotel manager, flying Sonam, reggae junkies and many more - this journey is all about rolling with the punches.

Special Lassi is one part funny, two parts crazy and a whisper of wistful - for the best things are ephemeral and a lust for life is a dangerous thing.

From reader reviews:

Karen Partain:

The book Special Lassi can give more knowledge and also the precise product information about everything you want. Why then must we leave a very important thing like a book Special Lassi? Wide variety you have a different opinion about e-book. But one aim in which book can give many details for us. It is absolutely right. Right now, try to closer along with your book. Knowledge or facts that you take for that, it is possible to give for each other; you are able to share all of these. Book Special Lassi has simple shape but you know: it has great and large function for you. You can seem the enormous world by wide open and read a guide. So it is very wonderful.

James Sirois:

Information is provisions for individuals to get better life, information today can get by anyone with everywhere. The information can be a understanding or any news even an issue. What people must be consider when those information which is inside the former life are challenging to be find than now could be taking seriously which one is suitable to believe or which one often the resource are convinced. If you find the unstable resource then you get it as your main information there will be huge disadvantage for you. All those possibilities will not happen inside you if you take Special Lassi as your daily resource information.

Tony Reed:

This Special Lassi is brand-new way for you who has interest to look for some information as it relief your hunger associated with. Getting deeper you onto it getting knowledge more you know or perhaps you who still having little digest in reading this Special Lassi can be the light food for you personally because the information inside this specific book is easy to get simply by anyone. These books develop itself in the form and that is reachable by anyone, yes I mean in the e-book application form. People who think that in guide form make them feel sleepy even dizzy this guide is the answer. So you cannot find any in reading a book especially this one. You can find actually looking for. It should be here for an individual. So , don't miss this! Just read this e-book type for your better life and also knowledge.

Jack Morgan:

On this era which is the greater individual or who has ability in doing something more are more treasured than other. Do you want to become one of it? It is just simple approach to have that. What you must do is just spending your time not very much but quite enough to enjoy a look at some books. One of the books in the top listing in your reading list is actually Special Lassi. This book that is certainly qualified as The Hungry Mountains can get you closer in turning out to be precious person. By looking upward and review this e-book you can get many advantages.
