Rachel Vail

You, Maybe: The Profound Asymmetry of Love in High School Rachel Vail

Josie is independent and fierce. She may flirt with boys or kiss them, but it doesn't mean anything, not even with Michael, who's more like a friend-with-benefits. So how can she explain what happens when Carson Gold goes after her? Carson Gold, the hottest senior, the one everyone secretly watches. . . .

Maybe it's the same thing that causes all the girls to stare as he walks by. Or maybe it's something between them, something just he and Josie share.

Could *you* resist?

It's too much, when love finds you and pulls you under. It's too much, even for Josie.
