**Los gauchos de Güemes: Guerras de independencia y conflicto social (Spanish Edition)** Sara Emilia Mata

¿Cómo fueron recibidas en Salta las novedades producidas en Buenos Aires en mayo de 1810? ¿Por qué tuvo lugar en la provincia de Salta una prolongada guerra contra los realistas? ¿Cuáles fueron las razones que llevaron a gran parte del campesinado salteño a tomar las armas? y ¿Por qué lo hicieron siguiendo a Martín Miguel de Güemes? Estas y otras preguntas se contestan en este libro, analizando los complejos problemas que atravesaron a la sociedad salteña en las primeras y cruciales décadas del siglo XIX. Para ello se estudian las características que presentaba la sociedad de Salta a fines de la colonia y sus reacciones frente a los inicios del proceso revolucionario; la contrarrevolución alentada por las familias realistas y por la proximidad del ejército del Rey enviado desde Lima; se analiza la insurrección rural que sostuvo la causa de la «libertad americana»; y la construcción de los liderazgos emergentes en la resistencia a la ocupación realista y en particular el de Martín Miguel de Güemes, Jefe de la Vanguardia del Ejército Auxiliar del Perú y Gobernador de la Provincia de Salta a partir de 1815.

Para la colección Nudos de la Historia argentina hemos pedido a historiadores de primer nivel que escriban libros sólidos pero a la vez atractivos, susceptibles de ser leídos y disfrutados por personas interesadas en la historia, aunque carezcan de una formación universitaria en la disciplina. Esperamos estar a la altura del desafío.
