Novas Janelas Para O Universo (Portuguese Edition)

Maria Cristina Abdalla

Novas Janelas Para O Universo (Portuguese Edition) Maria Cristina Abdalla

Empregando instrumentos de análise forjados nos estudos sobre negociações internacionais, e mobilizando copiosa informação sobre as negociações a respeito de serviços financeiros no âmbito do GATT/OMC e em outras frentes - ALCA; Mercosul; Mercosul-União Européia -, bem como sobre o processo de abertura financeira no Brasil, Neusa Bojikian mostra convincentemente porque a opção pela "liberalização administrada" (adoção de medidas desse teor, com a prerrogativa de alterá-las, em caso de necessidade, por decisão do Executivo) se impôs às autoridades brasileiras como uma escolha racional. Mas a autora faz mais, ao enfrentar o desafio de refletir sobre as conclusões alcançadas em seu estudo, à luz dos acontecimentos precipitados pela crise financeira internacional ainda em curso, sem calar os seus juízos de natureza normativa. Por isso não é exagero afirmar que, embora tenha tratado com rigor um tema difícil, comumente visitado por especialistas, o livro de Neusa Bojikian tem alcance amplo e alto interesse para o grande público.
