Pinocchio

Michael Morpurgo

Pinocchio Michael Morpurgo

The perfect gift for all ages, Pinocchio as you've never seen him before: telling his own story through the master storyteller and award-winning author of WAR HORSE.

“Now – there’s no point in pretending here – I was, and still am deep down, a puppet. Everyone knows Pinocchio is a puppet. I reckon I must be just about the most famous puppet the world has ever known. But the truth is I’m not just a puppet, I’m more than just bits of wood and string. I’m me. So I thought it was about time that I, Pinocchio, told you my story...”

So begins this stunningly beautiful interpretation of the classic story. Michael Morpurgo channels Pinocchio’s words to tell the famous puppet’s story in his own inimitable, cheeky and always funny way.

Lavishly illustrated throughout in full colour by the acclaimed Emma Chichester Clark, this is a must-have gift for all book lovers, and an utterly charming and surprising adaptation of a much-loved tale.

From reader reviews:

Sylvia Johnson:

Book is usually written, printed, or illustrated for everything. You can recognize everything you want by a e-book. Book has a different type. As we know that book is important thing to bring us around the world. Alongside that you can your reading talent was fluently. A publication Pinocchio will make you to be smarter. You can feel more confidence if you can know about anything. But some of you think this open or reading the book make you bored. It is not make you fun. Why they may be thought like that? Have you trying to find best book or suited book with you?

Robert Riggio:

People live in this new morning of lifestyle always make an effort to and must have the extra time or they will get large amount of stress from both everyday life and work. So , whenever we ask do people have spare time, we will say absolutely indeed. People is human not just a robot. Then we question again, what kind of activity do you have when the spare time coming to a person of course your answer can unlimited right. Then do you try this one, reading guides. It can be your alternative throughout spending your spare time, typically the book you have read will be Pinocchio.

Charles Owens:

Playing with family within a park, coming to see the marine world or hanging out with good friends is thing that usually you have done when you have spare time, in that case why you don't try thing that really opposite from that. 1 activity that make you not sense tired but still relaxing, trilling like on roller coaster you have been ride on and with addition of knowledge. Even you love Pinocchio, you may enjoy both. It is great combination right, you still would like to miss it? What kind of hangout type is it? Oh come on its mind hangout guys. What? Still don't have it, oh come on its called reading friends.

Lauren Veach:

Book is one of source of know-how. We can add our information from it. Not only for students but additionally native or citizen want book to know the revise information of year to year. As we know those ebooks have many advantages. Beside many of us add our knowledge, could also bring us to around the world. By book Pinocchio we can have more advantage. Don't one to be creative people? To be creative person must want to read a book. Merely choose the best book that acceptable with your aim. Don't possibly be doubt to change your life at this book Pinocchio. You can more appealing than now.
